DEAR

"Le Roi est Mort. Vive le Roi!"

The "GALAXY OF MUSIC" is Dead.

Long Live the "SHEET MUSIC" Weekly.

With issue for September, 1895, publication of the "GALAXY OF MUSIC" ceased, and in its stead we are now publishing

THE Boston Weekly Journal of Sheet Music.

We propose, in this publication, to make an entirely new departure in the publication of Sheet Music. Heretofore, the public has had to pay from 30 to 50 cents each for what we propose to furnish for less than two cents!

Every week, on Wednesday, we will put out a new or popular piece of vocal or instrumental music, and we shall send such, during one year, to any address in the United States, Canada or Mexico for only

\$1.00 Per Year of Fifty-two Issues.

As the ordinary price of 52 pieces of new and popular music is about \$20.00, the subscribers will be getting

\$20.00 worth of Sheet Music for \$1.00.

Our readers may not understand how this can be done. We will explain. The largest number of pieces of music published seldom exceeds 250 copies. It costs just as much for the manuscript and the plates to print one copy as to print one million copies. It therefore follows that if this first expense is \$50.00, and only 250 copies are printed, each copy costs 20 cents; but if 10,000 copies are printed, the cost of each is only one-half cent; to this is to be added the cost of paper, labor, etc. So that if our friends will subscribe themselves, and induce their friends to do the same (and for this work we are willing to pay them a liberal commission), we can, by printing from 25 to 50 thousand copies a week, so reduce the cost of the first production as to be able to employ the

Best Composers of Europe and America

as contributors to the weekly.

The titles of the 70 numbers thus far published are annexed, and you will admit that 52 pieces of music of like quality are ridiculously cheap for \$1.00.

This is printed on a sample of the music, but if you wish to see others before subscribing, send us *fifteen cents* for any *six* of the pieces named in the coupon.

Fifteen cents will bring you six sheets of music (usually sold for over \$2.00), and when you have seen them, we are sure you will at once subscribe and get your friends to. Always order by *numbers*.

"DEAR HEART, WE'RE GROWING OLD."

SONG AND CHORUS.

Words and Music by H. M. ESTABROOKE.

The musical score is written for piano and voice. It consists of three systems of music. The first system is an instrumental introduction. The second system is the first line of the song, with lyrics. The third system is the chorus, also with lyrics. The music is in G major (one sharp) and 4/4 time. The piano part features arpeggiated chords and a steady bass line. The vocal part is a simple melody with lyrics written below the notes.

1. Dear heart, I find we're growing old;..... The years, so quickly passed a - way..... Since
2. To me you're fair - er than you were..... The day I won you for my bride;..... And
